Michigan Military Luncheon

Hosted by Grayling Ladies
on Thursday, August 11, 1983.

There will be a luncheon and program held in honor of the Michigan National Guard wives and staff. The luncheon will be held at 12:00 noon at the National Guard Armory, Camp Grayling. The program will be given by soloist Tammy Huldert of the Grand Traverse area.

Tickets must be obtained in advance from either Grayling True Value or the Great Lakes Federal Savings Office for \$2.00 each.

Sponsored by Military Affairs, Grayling Regional Chamber of Commerce.

Saturday's Grand Parade Update

On Saturday the parade will start on Lake Street at N. Down River Rd. proceed to Maple and then to Michigan, ending at the depot. There will be no parking on these streets during the parade.

Anyone who plans to be in the parade in their Milltown costumes report to Maple and Lake St.

Brownies report to Ogema and Maple St. Cadettes report to the same corner.

These groups should plan to be there by 1:30 p.m. The parade will start promptly at 2:00 p.m.

All units have been notified of their number in the parade line-up. If you plan to be in the parade and do not have a number yet, please notify the Chamber Office at 348-2921.

Parade Handouts Caution Needed

Milltown Festival Committee officials have asked that floats in the Grand Parade refrain from tossing out any candy or prizes from their vehicles.

Police, as well as many observers, have noted that in earlier parades, youngsters are prone to rush out almost under the wheels of a float to pick up the goodies. They fear that an injury may occur.

Officials suggest if handouts are planned for the parade, persons walking on either side, at front, or behind the float can personally hand out the treat.

2nd Annual Grayling Masonic Pig Roast Dinner To Be Held

The Grayling Masonic Lodge #356 F&AM and the Order of Eastern Stars Chapter #83, are going to put on a pig roast on Saturday, August 6, 1983.

Serving will start at 3:00 p.m. and continue until it is gone on a first come basis. Tickets will be on sale at the front door. Donations will be \$2.50 for children 12 & under, and \$4.50 for adults.

The location will be at the Masonic Temple next to the Rialto Theater on Michigan Avenue.

Attention Masons & Stars, your lodge & chapter needs your help on this venture, if you can help us out please call Russ Hubbard at 348-8623 daytime or Dale Peterson at 348-2389 anytime.

The menu includes Roast Pig, Cole Slaw, Potato Salad, Baked Beans, Bread & Butter, Coffee, Iced Tea, McDonald's Orange Drink, Homemade Pie & Cake.

YOUNG FISHERMEN PACK PARK-Smiles and grins prevailed at the Grayling City Park Friday night as nearly 250 boys and girls tried their hand at catching 400 fish bought by the Grayling Booster Club. Sherry Hanson Named Citizen of the Year

Sherry Hanson has been named Citizen of the Year in Grayling for 1983.

The Selection Committee named Mrs. Hanson in an unanimous ballot for the many outstanding projects she has headed or contributed to in the area.

Mrs. Hanson is Assistant Vice President for the Great Lakes Savings and Loan financial institution and serves the public in the offices on the south I-75 Business Loop. She came to Grayling in November of 1975 and was appointed Branch Manager of Great Lakes, then First Federal Savings and Loan, in October of 1976. She was promoted to the Assistant Vice President's post in July of 1977.

Mrs. Hanson is a petite lady who has a casual air of confidence. Her qualifications for the Citizen of the Year are many.

Shell Awards \$11 Million Contract For New Facility

Houston—A multi-million dollar construction contract has been awarded by Shell Oil Company to build a new oil and gas central production facility north of Frederic.

Shell said it awarded the contract to Jacobs Engineering Group, Inc. of Houston based on its competitive bid, its familiarity with the technology of the plant, and its plan to use Michigan sub-contractors for substantially all of the construction work. About 30 general contractors were considered for the project.

The amount of the contract was not revealed, but a Shell spokesman said the company will spend more than \$11 million to construct the new facility. Some work on the project may begin this year, but major construction is not expected to start before early 1984. Construction jobs could reach a peak of about 50 during 1984.

About 10-12 permanent Shell jobs will be created to operate the facility which is expected to be in operation in early 1985. Shell said no job applications are being accepted at this time because staffing decisions will not be made until 1985.

The Shell facility will be capable of processing more than 1,000 barrels of oil and about 7 million cubic feet of natural gas per day.

It will separate and process crude oil and natural gas, as well as remove sulfur compounds from natural gas. The facility will be built on a 12-acre site in Frederic Township about four miles north of Frederic in Crawford County.

New Mercy President Begins Job

On July 11, Sister Mary Ellen Howard R.S.M. assumed the position and responsibilities of President and Chief Executive Officer of Mercy Hospital, Grayling.

Lake Dwellers Seek Help From 'Septic Snooper' In Protecting Water

by Jon Thompson

It doesn't look or sound like a hero — it arrives on the scene trailing a boat and is called a "Septic Snooper" — but Lake Margrethe residents are hoping a new pollution detection device can come to their aid in protecting the water quality on Crawford County's biggest and most used lake.

Although a 1976 study of Lake Margrethe listed water quality as good, early signs of enrichment were noted then and recommendations given to control man's contributions to eutrophication.

The Lake Margrethe Property Owners Association are concerned those recommendations haven't been followed well enough and have asked the Northeast Michigan Council of Governments to use the Septic Snooper at Lake Margrethe to pinpoint sources of pollution.

The 1976 study recommended not more than 100 additional single home septic systems be installed within 300 feet of the lake or its tributaries. Grayling Township building permits indicate about 60 new homes have been built near the lake since 1976 and more than 65 additions to houses have been built that may involve extra loads on existing septic systems.

The recommendation to limit septic systems was one of six suggestions in the study to help limit the amount of phosphorus getting into the lake. Phosphorus, the 1976 study determined, was the growth limiting nutrient at Lake Margrethe. Keep phosphorus levels down and nuisance weed growth is limited. Too much phosphorus can lead to algae blooms, rooted weed growth on bottoms, and diminishing water clarity.

A disk lowered in the water is visible down to 43 feet in Higgins Lake, a deep "young" lake, but only three and a half feet in Houghton Lake, a shallow lake further along in the aging process. Visibility readings at Lake Margrethe have ranged from 18 to 13 feet since 1976 with most readings near the 13 feet mark in recent years.

The major source of phosphorus at Lake Margrethe comes from rainwater — a source man can do little about. But the next biggest source, the study indicated, was from shallow groundwater from populated areas. Phosphorus in laundry soaps and other products that find their way into septic systems is entering the groundwater and draining into the lake. Fertilizer on lawns also is reaching the lake, and the height of the groundwater table (right to the surface in places) quickens the process.

The LMPOA is hoping the Septic Snooper can locate any areas along the lake where septic systems aren't doing their job or where other sources of nutrients and pollution are entering the 9.1 mile — perimeter lake.

Inmate Scales 10-Foot Barb-Wire Fence To Escape: Is Caught Day Later at Beach

Calvin Boyd, an inmate awaiting trial for armed robbery and breaking and entering, broke out of the Crawford County jail Saturday by climbing over a ten-foot chain link fence with barb wire on the top.

Boyd was captured the next day at Lake St. Helen by a state police officer. Boyd had asked a St. Helen resident for the use of his phone and the alert homeowner overheard Boyd give his name to the operator. The resident recognized Boyd's name as the escaped inmate and called the state police.

A state trooper found Boyd near Lake St. Helen and was assisted in the arrest by a boater. Boyd, 21, tried to escape by swimming away under water, but the boater gave the trooper a ride out to where Boyd had fled.

Boyd made his escape from jail by climbing over a fence around an outside exercise area the state told Crawford County to install last year. He was discovered missing less than three minutes after escaping but eluded police by slipping through the large crowd in the city park.

Stocktons Outlast Fog, Heat, Shallow Water To Win 2nd Straight AuSable Canoe Marathon

by Jon Thompson

Butch Stockton, of Higgins Lake, and his nephew Brett Stockton, of Grayling, overcame the elements and 20 other professional teams to post their second win in a row at the AuSable River Canoe Marathon.

The Stocktons finished in 14 hours, 38 minutes, and 36 seconds — the third fastest marathon ever — despite paddling in shallow water in the upper stretch of the AuSable, getting lost in fog near Alcona Dam, and battling the hot sun the last four hours of the 240-mile race.

Four-time marathon winner John Baker, of Grayling, and Tony Short, of South Branch, took second with a 15 hour, one minute, and 59 second time. Baker, 41, and Short, 19, had the lead near Stephens Bridge before the Stocktons went ahead for good.

Steve Krantz, of Hale, and Rick Joy, of North Branch, were the first team in the river after the running start in Grayling and finished third at 15:21:53.

The Stocktons were actually three minutes ahead of the course record — set in 1981 by Baker and Ken Brown — more than halfway into the race even though the upper portion of the AuSable was low due to below normal rainfall.

"We couldn't get good strokes and were hitting gravel in a lot of places," Brett Stockton said.

But it was the fog near Alcona Dam that threw them off record pace. In pre-dawn fog the Stocktons couldn't see and took a wrong turn winding up in a slow channel with four inches of water.

"We just couldn't get moving in that shallow water and we couldn't see where we were," Brett explained.

REPEAT CHAMPIONS—Butch and Brett Stockton won the 240-mile AuSable River Canoe Marathon for the second year in a row as a record crowd turned out in Grayling to watch the paddlers start the race. Police said the crowd watching the race along the river in Grayling may have been larger than the July 4th fireworks crowd. (Adams Photography)

From Our Corner...

One big weekend of Milltown Festival '83 is now history, next weekend promises to be even bigger and better...highlight of next weekend will be the Grand Parade on Saturday, August 6th at 2:00 p.m. with many, many other attractions for the visitor to enjoy...the Kids' Parade is scheduled for 1:30 p.m. on Wednesday, August 3rd...

Highlighting the start of the Milltown Festival last weekend was the running of the 36th annual AuSable River Canoe Marathon leaving Grayling at 10:00 p.m. Friday night and ending in Oscoda around noon on Saturday...the race was won for the second year in a row by Brett Stockton of Grayling, and his uncle Butch Stockton of Higgins Lake...

The Tip of the Derby and our congratulations to Sherry Hanson on her selection as "Citizen of the Year"...Sherry is a Board Member of the Grayling Regional Chamber of Commerce and serves as its Vice-President...she also is Assistant Vice President and manager of the Grayling Branch of Great Lakes Federal Savings...Sherry will be the Grand Marshal of the Milltown Parade this Saturday afternoon...

We received another one of those letters that really turn us off...that is to receive a letter that isn't signed or is signed like this one "a disgusted Avalanche reader"...the letter was in reference to a picture of the Little League Champs in last week's paper and the writer referred to one of the players making a different sign with his fingers than the rest...one of the paragraphs was, "I do not believe that you knew of this when you printed it, nor do I think you condone such actions, and for those reasons I believe you owe your readers an apology." There is no apology here...if the writer will come into the Avalanche we will show him the actual photo, and let him make his own decision from that...

Mark your calendars for August 19th, 20th and 21st and plan on taking in Crawford County's 1st annual Fair at Hanson Hills...the three days are loaded with things for the entire family to enjoy...see the ad on page 6 for more details...

Speaking of letters we receive...for the life of us we cannot figure out why a person who goes to all the trouble of writing a letter and then for some unknown reason refuses to sign their name...we leave ourselves wide open every week for our readers to take pot shots at us if they like...then we get letters with no names, but condemning us for what we have done...there are many times if I knew who the person was who took the time to write, I could call them and possibly let them know our side of the coin...

We can see some letters where the person does not wish to have their name printed, and we will withhold it if we feel they may be subject to reprisal concerning their letter...but, we have to know the persons name and address and phone number before we will print such a letter...

So, if you wish to write a letter to the editor...it is always welcome, but do us a favor and save us time by signing it...this does not mean typing your name, we need your signature and address, for our own protection...

We've ran out of time and thoughts for this week's turkey so will just say goodnight T.J., Stefany and Amber and to all our readers...Grayling is the place to be this weekend if you are looking for a good time...the big parade is shaping up to be one of the best on Saturday afternoon...

The Misses Eva Swanson and Lucille Larson spent the weekend with the latter's sister, Mrs. Earlyn Connin in Adrian.

Mr. and Mrs. Fred Bromwell and son Fred, the latter having been in California for the past year, were here over the weekend visiting friends.

Miss Beverly Schaible is assisting in the John Bruun office while Miss Olga Nielsen is away on her annual vacation.

Miss Jean Michelson, who has been spending some time visiting

friends in Los Angeles, Calif., arrived Monday and will remain for the summer season with her mother, Mrs. Axel Michelson at Lake Margrethe.

Mr. and Mrs. Carl Hanson and sons Carl Dean and David spent the weekend in Saginaw visiting Mr. and Mrs. Holger A. Hanson. Their daughter Jeanne, who had been spending a month with the Hansons accompanied them home. Also they stopped at Camp Haley and were joined by their son Alfred, Clarence Hoesli and Frank Jensen, who had been attending the Boys Camp there for a fortnight.

Mr. and Mrs. William Jensen, caretakers of the Cliff Durant Lodge on the South Branch, were hosts to a group of Grayling people Sunday. Mr. and Mrs. A. Peterson and family, Mr. and Mrs. Eugene Papendick and family, Mr. and Mrs. Oscar Goss and family, Mr. and Mrs. Dick Lovely and daughter Jean, and Mr. and Mrs. Joe Kernosky and family. It was a fine day and everyone had a very delightful time. A delicious chicken dinner was served by the hostess.

Mrs. Celia Granger left Wednesday for Grand Rapids to join Mrs. Minnie Bowman, and the two ladies, who are old friends, left on a trip that will take them to Montreal, Quebec, and eastern points, including the state of Maine. They will be away for two weeks.

Little Sally Gross, who was three years old Sunday, entertained 10 of her little friends on Saturday afternoon with games and refreshments on the lawn. Sally Ann had a pretty birthday cake with three pink candles on it.

Two fish on one bait is what Jappe Smith says happened to him. Fishing with a long bamboo pole a large pike struck the bait and immediately started on a bee line for the boat, faster than the line could be hauled in. With mouth and gills open the bait apparently slipped through the gills and was trailing behind. Before landing the 25 inch pike, another smaller pike took the bait, and both were hauled into the boat. If anyone but Jappe were to tell the story we might discredit it. Anyway, here's one for Ripley.

The new lawn seats at the court yard have been installed and are being pretty well occupied.

The Bible Speaks

From Calvary Baptist Church

The Ministry of Jesus Christ Romans 15:8-13

Our Lord Jesus Christ gave us the perfect example of ministering to people who were different in their faith. The ministry of Jesus Christ was to both Jews and Gentiles. Our Lord began His ministry among the circumcision or the Jews. While the primary ministry of Jesus Christ was with His own people, the Jews, His program was geared to reach the whole world. Jesus Christ came to fulfill the Old Testament prophecy concerning the messiah. "Now I say that Jesus Christ was a minister of the circumcision for the truth of God, to confirm the promises made unto the fathers." Romans 15:8.

Our Lord Jesus Christ ministered to the Jews that they might minister to the Gentiles. The Jews were to share God's mercy with the Gentiles that both could glorify God. This was the Old Testament teaching of Psalms 18:49 which Jesus fulfilled. "And that the Gentiles might glorify God for his mercy; as it is written, For this cause I will confess to thee among the Gentiles, and sing unto thy name." Romans 15:9.

Our Lord Jesus Christ not only intended that the Jews and Gentiles glorify God together, but He intended them to rejoice together. "And again he saith, Rejoice, ye Gentiles, with his people" Romans 15:10. This was also the teaching of Deuteronomy 32:43 in the Old Testament.

Our Lord Jesus Christ not only intended that the Jews

and Gentiles rejoice together, but He intended them to praise and worship Him as their God. "And again, Praise the Lord, all ye Gentiles; and laud him, all ye people." Romans 15:11. This was the teaching of Psalm 117:1 in the Old Testament.

Jesus Christ wanted both the Jews and Gentiles to recognize His Lordship over them. They were both to trust in the same God who reigned over them. "And again, Esaias saith, There shall be a root of Jesse, and he shall rise to reign over the Gentiles; in him shall the Gentiles trust." Romans 15:12. This was the Old Testament teaching of Isaiah 11:10.

To all those who believed the words of the God of hope, the blessed only Spirit provides the power to produce joy, peace and hope in their lives. "Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost." Romans 15:13.

My friend, how is your spiritual temperature today? Are you full of joy, rejoicing in Christ Jesus? Are you full of peace and calm satisfaction through faith in the God of peace? Are you abounding in hope, confident of the future because of your trust in the God who controls the future? These are signs of spiritual maturity received from the Holy Spirit through faith in the Bible. This is the ministry of our Lord Jesus Christ. (adv.)

TAKING IT TO THE STREETS

For the second weekend in a row, the Old AuSable is on a roll. Don't miss our

SIDEWALK SALE

We've marked down our Fenwick Spinning rods 50% and our glass & graphite fly rods are priced so low LeRoy won't print them.

For bowhunters we have a dozen aluminum arrows for under twenty dollars and our compound bows are priced almost at cost. It's like meat in the freezer.

In the athletic department, bombats & tennis rackets are out the door for ten dollars.

If you're tired of the high cost of sporting goods - be at the Old AuSable Saturday morning. We'll put a smile on your face & money back in your pocket.

Sawyer Gets Reprieve; Wurtsmith Future Eyed

by Cong. Bob Davis
Air Force bases have played a key role in the economy of Northern Michigan for several decades. The Eastern Upper Peninsula is still feeling the shock waves from the closing of Kincheloe Air Force Base less than ten years ago. The closing of that base meant a loss of more than 10,000 residents and a \$36 million annual payroll, meaning a total loss of up to \$100 million annually in that area.

I was extremely pleased to have been able to convince the Air Force to postpone the proposed deactivation of the 87th Fighter-Interceptor Squadron at K.I. Sawyer Air Force Base until the fall of 1985. This gives us time to try to convince a majority of Members of Congress of the need to provide the Air Force with more of the sophisticated F-15 fighter jets, and increase personnel to a more acceptable level.

In January the Air Force informed me of plans to upgrade the 87th Squadron from its present aging F-106 aircraft to F-15's. This was part of a multi-year program to modernize active Air Defense forces around the country. Budget constraints, however, forced the Air Force to alter its plans and reallocate resources. Congress has reduced by 123 the number of F-15's the Air Force had hoped to procure during the 1980's. A squadron is comprised of 18 aircraft. Additionally, personnel ceilings set by Congress have forced the Air Force to turn over some of its missions to Air National Guard and Reserves.

I emphasize that this delay in deactivating the squadron is only a temporary reprieve, and that if Congress does not approve the needed funds, the squadron will be pulled out of Sawyer. I certainly will do all that I can to convince my colleagues in the House Armed Services Committee, and in the Full House to approve the higher levels necessary.

Removal of the 87th Squadron would mean a loss of 628 military and civilian jobs. When you add the families of these people to the total, it would mean a loss of nearly 2,000 people in the community. The economic loss could be as much as \$20 million annually. The Air Force says that, in general, for every military member assigned to the base, another job is created in the central U.P. labor market. Although we should be pleased that we will be keeping at least \$40 million in the U.P. over the next two years, the job is far from completed.

People living around Wurtsmith AFB near Oscoda have expressed concern over the future of that base as well. I am confident that base, as well as Sawyer, is very secure for the next ten years. The fact that both of these bases are part of the Strategic Air Command (SAC) makes them important to our national defense. I plan to continue to work very hard to see that both bases have their B-52 squadrons upgraded to the new B-1 or Stealth bombers, securing the bases further.

Pet Show Slated
Saturday in Park

Kids and their pets is one of the most natural sights in a community throughout the year, but Mrs. June Robinson, chairperson for the Pet Fashion Show during the Milltown Festival will bring them all together this Saturday.

The City Park stage will be the scene of a massed display of what might be considered normal pets. The event, however, might yield some highly unusual ones if previous experience is any judge.

Mrs. Robinson said that any youngster desiring to enter the parade should present themselves and their favorite companion at the stage on Saturday, August 6 at 12 Noon. She noted that after the pet fashion show, a Crawford County Public Transit bus will stand by to take the kids and their pets to the Grand Parade lineup where the pairs can march.

A Musical Production!

Kid's Theatre Performance
At Hanson Park Friday

The annual summer Kid's Theatre Production will be staged Friday evening, August 5 at Hanson Park. The performance will begin at 8:00 p.m. in the former Fred Bear Museum Building.

This year's Kid's Theatre Production is entitled Sky Happy and is a musical play about man's dream to fly. The one act performance is about one hour in length and contains 11 clever and captivating musical numbers. Starring in the show will be Chad Flowers and Erin Barrow who will portray two zany and colorful people from the Stone Age, Rock and his wife Martha. Throughout the performance the entire history of flight will be told by Narrator Andrea Schans. Other members of the cast include Karl Mead, Lori Gust, Bridgett Barrow, Joell Schans and Valerie Schans. This year's Kid's Theatre Performance is under the direction of Paul Gust.

CCPT Drivers
Donate Time
For Milltown

Drivers for the Crawford County Public Transit (CCPT) Bus Tours are donating their time to help make that Milltown Festival event a free activity.

According to Chet Johnston, CCPT manager, the drivers agreed to conduct the scenic trips because they wanted to contribute to the success of the festival.

The tours leave the City Park at 10 a.m. and 2 p.m. The destinations are the Grayling Fish Hatchery, Hartwick Pines State Park, Camp Grayling and Hanson Hills Recreation Area. The junket takes approximately two hours and fifteen minutes.

The Milltown Festival budget is underwriting the cost of gas and oil for the vehicles.

Detroit Metro Area May Be Subject To EPA Sanctions

Warren M. Hoyt, Executive Director, MPA

Sanctions that could prevent construction of new factories in the Detroit area that emit hydrocarbons and pollutants, and could cut off the state's federal air quality funds, are scheduled to be imposed by the federal Environmental Protection Agency.

The state will then have 45 days to appeal the sanctions, which are scheduled to be printed in the federal register by the end of the month, before they officially take effect in September.

Michael Koryto of the air quality division of the state Department of Natural Resources, said Governor Blanchard will lead a coordinate effort to stop the sanctions which would be imposed only against the three-county metro area — Wayne, Oakland and Macomb counties.

The sanctions are being imposed because the state has failed to impose an inspection and maintenance to check automobiles for emissions of ozone and carbon monoxide.

In 1980, the Legislature, under threat of such sanctions then, enacted a statute providing for an inspection and maintenance program, but numerous efforts to promulgate rules implementing the program have failed.

Under the law, the Department of Natural Resources was supposed to certify which areas would be required for testing, and the Department of State would stipulate the kind of tests required, and the costs to cover the tests.

No funds have been appropriated for the inspection and maintenance program and several officials, including Secretary of State Richard Austin, have urged the federal government to drop the program.

Koryto said the sanctions proposed include a "construction moratorium" on new factories that would emit any significant amounts of hydrocarbons.

The state could also lose up to \$3

million in federal air pollution grants which "would seriously jeopardize efforts to make progress to clean up dirty areas."

Included in the "coordinated effort" Blanchard would lead against the sanctions would be the DNR, the State Department and the Department of Commerce and Transportation.

Budget Recodification Proposal
A proposal to recodify Michigan's current statutes, allowing for such things as a later submission time of recommendations by the governor to the Legislature, should be ready for introduction by fall, officials with the Department of Management and Budget and the two Legislative fiscal agencies.

The proposal, taking either the form of one omnibus measure or two or three bills, would cap more than a year of work by staff members of the House and Senate Fiscal Agencies, DMB and other departments.

The proposal would also take the place of several hundred sections of current state law describing and defining how the budget is to be formulated.

A major objective of the recodification would be to update currently archaic language and references. The main acts currently defining the budget process were drafted in 1919 and re-enacted with revisions in 1941 and 1965.

Other major portions of the recodification could include a later submission time of budget proposals by the governor to the Legislature. The later time would allow state planners time to study the federal budget proposal which is submitted currently after the state budget.

Another major proposal would be to change current procedures for budget transfers which now all require approval by the legislative appropriations committees.

Gaylor-Lepsy Speak Vows

Laurie J. Gaylor and Christopher S. Lepsy were married June 25, in the First Congregational Church in Roscommon, Mich. by the Rev. Tom Bruno. Parents of the couple are Howard and Barbara Gaylor of Roscommon and Jackie Lepsy of Grayling, Mich.

Terri Bancroft was maid of honor and bridesmaids were Chris DeWitt, Vicki Lepsy, Judy Colwell, Annette Stiefelmayer, Lisa Sadjak and Pam McClain.

Mark Qualls was best man and groomsmen were Bill Kellogg, Mark McEvers, Nathan Gibbons, Greg Gaylor, David Lepsy and Bill Weaver. Ushers were Jim DeWitt and Gary Franz.

The organist was Carol Reznich and the soloists were Melissa Mahoney and Harry Sherwood.

The bride wore a chapel length gown of crystal chiffon with satin insets of re-embroidered Venice lace. The satin bodice tapered to a

dropped waist back and flowing into a train. The full chiffon sleeves were banded with satin with Venice lace appliques. The maid of honor and bridesmaids wore identical matte taffeta gowns in shades of lavender.

A reception was held at the Holiday Inn in Grayling, Mich.

After a honeymoon at Mackinaw Island, Laurie and Chris are now residing in East Lansing and attending school there.

Scholarship Fund at Kirtland

Douglas Sieb, a West Branch attorney, has established a memorial scholarship fund in the name of his wife, Janet.

This scholarship fund, in memory of Mrs. Sieb, is in recognition of her devotion to her students at Kirtland Community College. She had been a part time instructor since 1979 at the college in secretarial science and business, and was formerly employed at Taylor Building Products in West Branch. She received her Bachelor of Arts degree from Michigan State University in 1974.

Kirtland Community College and the Kirtland Foundation, through this fund, will provide an annual scholarship for a full-time, female, in-district resident taking courses in business or secretarial science.

This memorial will be part of the Foundation's annual endowment drive. Persons wishing to contribute to the memorial scholarship fund should make their contribution to: Janet Sieb Memorial Fund, c/o Kirtland Community College, Rt. 4, Box 59A, Roscommon, MI 48653. Interested scholarship applicants should contact the KCC Financial Aids Office (517-275-5121) for further information.

Grayling Art Show

The Annual Grayling Art Show will be held Saturday, August 6 in front of the Grayling State Bank from 10 a.m. until 4 p.m.

Your material for the Art Show should be brought in and registered between 9:00 a.m. and 10:00 a.m. You may enter as many as 5 pieces and they should be ready for hanging. Please pick up your art work soon after 4 p.m. If you have an exhibit in the Milltown Arts and Crafts Show, you are asked not to enter part of that exhibit in the Grayling Art Show.

The Judges will be Judy Croft, a Grayling artist, and Lynn Thompson, the Grayling High School art teacher, who will pick 1st, 2nd and 3rd places plus several honorable mentions. The Grayling State Bank has donated \$25, \$15, and \$10 for these awards as well as a gold certificate for each person who enters.

Trout Unlimited

On July 23, the Board of Directors of the George W. Mason Chapter of T.U. elected new officers and directors for the next year. Ben Butts was re-elected as president, Bob Andrus was elected vice-president, Bob Woodland as secretary and Dave Lemmen as treasurer. John Foley and Woody Holden will serve as new members of the board with Marion Wright continuing to serve as a board member and membership committee chairman.

We are very pleased with the election of Bob Andrus as vice-president. Bob also serves as regional Director of the Michigan Council of Trout Unlimited and earlier this year was honored by the state council as the Michigan T.U. member of the year and received status in the "Order of the Caddis".

T.U. board of director meetings are held on the fourth Saturday of each month at 9:00 a.m. at the Shoppenagon Motor Hotel and the public is always welcome.

Marine Cpl. Berry To Serve Overseas

Marine Cpl. Lloyd D. Berry, son of Lloyd Berry Jr. of 106 Moon Road, Lake Orion, Mich., and Joan Charboneau of Roscommon, has departed on a deployment to Camp Lejeune, N.C.

He is a member of 3rd Battalion, 6th Marines. The unit will spend six months overseas as part of the Marine Corps' Unit deployment program. The concept is designed to rotate whole battalions or squadrons at a time instead of individuals at separate intervals. In this way, unit integrity is retained and the actual time they spend overseas is shortened.

During the deployment, the command will conduct training exercises with the U.S. 7th Fleet and units of allied nations.

Women's Club To Meet

The Christian Women's Club of Houghton Lake and the surrounding communities will hold their August luncheon meeting at the new location, Tommy's Dry Dock, formerly Oliver's Pier on M-18, South, Tuesday, August 9, 1983 from 12:30-2:30 p.m.

You are cordially invited to attend this luncheon. The cost is only \$4.50. The emphasis for the luncheon meeting will be "Creative Fun".

The Special Feature will be presented by Rosemary Gallagher, owner of Irishman's Shanty, Roscommon, sharing ideas on "Creative Activity". Ragtime Piano will be played by Ramon Demond, and Gene and Tim LaForge will be bringing us more Special Music, "Creative Melody". The Special Speaker, Kathy Gyene Baerman, refugee from Hungary, will share "Creative Living".

Nursery care will be provided for the luncheon at the All Saints Episcopal Church, 1500 W. Houghton Lake Drive, Houghton Lake. Reservations for the children are necessary. For the luncheon and the nursery reservations, please call Louise Hammond 422-5489 or Dolores Peckham 821-9317. Reservations are necessary by August 5, 1983 and cancellations are essential.

Please invite your teens: They'll be glad you did! A very special guest has been invited, Judy Harrison, 1st runner up in the Miss Houghton Lake contest.

Services Held For Clarence Robertson

Clarence "Whitey" Robertson, 83, of Grayling, passed away Tuesday, July 26, 1983 at Mercy Hospital. Memorial services were conducted by the Moose Lodge of Grayling on Wednesday evening at Sorenson Funeral Home. Funeral services were held at Sorenson Funeral Home on Thursday, July 28, 1983 at 1:00 p.m. with Rev. Robert Haskel officiating. Interment was in Elmwood Cemetery.

Mr. Robertson was born on July 10, 1900, son of the late Peter and Ida (Anderson) Robertson, in Manistee, Michigan. He had been a resident of Grayling for the past sixty-eight years and was a yardman for the lumber industry. Whitey was also a school crossing guard at the elementary school for quite some time. He was a member of the Moose Lodge No. 1162 of Grayling and Grayling Lodge No. 356 F. & A.M.

Survivors include one brother, Russell Robertson of Marquette, and two nephews, Robert Anderson and Wilford Anderson, both of Saginaw. He was preceded in death by his parents and two sisters, Flavia Robertson and Blanche Anderson.

Pallbearers were Moose Lodge members - Eddie Sturdevant, Randy Ray, Karl Isenhauer, Danny Riness, Lynn Starr, and Dave Meyers.

CASE NO. U-4240

TO GAS AND/OR ELECTRIC CUSTOMERS OF CONSUMERS POWER COMPANY, THE DETROIT EDISON COMPANY AND MICHIGAN CONSOLIDATED GAS COMPANY

NOTICE OF HEARING FOR RULE MAKING PROCEDURES TO ADOPT NEW AND REVISED RULES UNDER THE CONSUMER STANDARDS AND BILLING PRACTICES, ELECTRICAL AND GAS RESIDENTIAL SERVICE

On June 14, 1983, Michigan Consolidated Gas Company, The Detroit Edison Company and Consumers Power Company (collectively referred to as Applicants) filed a Petition for Rule Making with this Commission. Applicants stated in their petition that they are all subject to the jurisdiction of the Commission and that together they provide gas and/or electric service to most of the households in the State of Michigan.

Pursuant to Section 38 of the Administrative Procedures Act, 1969 PA 306, as amended, MCLA 24.238, Applicants requested the Commission to promulgate certain new and revised rules under Parts 1 through 6 of the Consumer Standards and Billing Practices, Electrical and Gas Residential Service, Case No. U-4240, as amended, Michigan Administrative Code, R 460.2101 et seq (Billing Practice Rules).

For some time, heating assistance and shut-off protection for low-income customers and senior citizens have been major concerns of both utility companies and the Commission. Applicants have engaged in the development, implementation and administration of a number of programs addressing heating assistance and shut-off protection initiated through the Legislature, the Commission and other State agencies.

In addition to the plight of low-income customers, increased energy bills and a depressed economy have created utility uncollectibles which approach \$60,000,000 annually and theft of energy which may exceed \$20,000,000 this year. Those costs are passed on to customers in the form of higher utility rates, further escalating the problem of increased bills.

The situation has created a crisis that can only be averted by changes in the way the energy needs of low-income customers are provided for and in the way other customers are protected against the cost of increasing uncollectibles and theft. The rule changes proposed by the Applicants are the latter type of change and are proposed to become effective as soon as possible following hearing and Commission approval. The needs of low-income customers have not been forgotten, however, as evidenced by the fact that recently, representatives of Applicants and the Commission Staff developed a program entitled the Energy Assurance Program (EAP) designed to restructure the manner in which the energy needs of low-income customers are met. The EAP includes proposed legislation and it is contemplated that those bills will be introduced in the Legislature within the next several months.

Applicants have, in their above-mentioned Petition for Rule Making, proposed revisions and additions to the Billing Practice Rules to minimize

abuse which revisions, together with the EAP, are intended to balance the needs and interests of the utilities with their customers. In general terms, the proposed revisions broaden the utilities' authority to require deposits from prospective customers and allow utilities to impose higher customer charges for the discontinuance and restoration of service. The length of both the existing and proposed rules makes it impractical to publish them in conjunction with this Notice, but the same are available for public review and inspection at the offices of the Commission, 6545 Mercantile Way, Lansing, MI 48909 and at all local offices of each of the Applicant utilities.

Jurisdiction is pursuant to 1909 PA 106, as amended, MCLA 460.551 et seq; 1909 PA 300, as amended, MCLA 462.2 et seq; 1919 PA 419, as amended, MCLA 460.51 et seq; 1939 PA 3, as amended, MCLA 460.1 et seq; 1969 PA 306, as amended, MCLA 24.201 et seq; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

A public hearing will be held in the Auditorium of the City-County Building, 2 Woodward Avenue, Detroit, Michigan on August 11, 1983, commencing at 9:30 AM for the purpose of receiving testimony, written comments, suggestions, data, views and arguments regarding whether or not the Commission's Consumer Standards and Billing Practices, Electrical and Gas Residential Service, R 460.2101 et seq, should be revised and, if so, what form those revisions should take.

All interested persons may file with the Commission written comments, suggestions, data, views, arguments or proposed revisions concerning the Consumer Standards and Billing Practices, Electrical and Gas Residential Service, R 460.2101 et seq, not later than 5:00 PM on August 30, 1983. An original and six (6) copies of all written comments, suggestions, data, views, arguments and proposed revisions shall be filed with Thomas R. Lonergan, Executive Secretary, Michigan Public Service Commission, 6545 Mercantile Way, PO Box 30221, Lansing, MI 48909. Written comments, suggestions, data, views, arguments and proposed revisions may also be filed in a similar manner by all interested persons at the public hearing.

The public hearing shall be legislative in nature and all interested persons may present statements regarding the proposed revisions. Statements may be limited in duration by the Administrative Law Judge in order to ensure that all interested persons have an opportunity to participate in the proceedings. The proceedings will continue on that date, or on such dates as the presiding officer may schedule, until all persons have had a reasonable opportunity to be heard.

R.O.O.C. WORKERS assemble toys for packaging at sheltered workshop. Vests for Department of Interior get finishing touches at R.O.O.C. sheltered workshop.

ROOC Awarded Federal Contract

A Federal contract to make fire fighters' vests for the Department of the Interior has been awarded to R.O.O.C. Incorporated, the sheltered workshop operated in Roscommon County by the C.O.O.R. Intermediate School District.

The C.O.O.R. Intermediate School District which serves Crawford, Ogemaw, Oscoda, and Roscommon counties, was assisted in putting the bid process together by the Federal Procurement Assistance staffs of two CETA Service Delivery Areas. Region 7B Employment and Training Consortium, which serves Roscommon and Ogemaw counties, and Northeast Michigan Manpower Consortium, which provides services to Crawford and Oscoda counties, have already assisted 97 companies in 16 counties receive almost 11.5 million dollars worth of Federal contracts.

The two agencies are currently working with several hundred businesses, providing information on contracts which the Federal Government is letting out for bid, as well as other essential information about the Federal contracting system.

According to Ms. Sally Rushton, who heads the program for the Northeast Michigan Manpower Consortium, the forerunner of procurement programs in Michigan, their efforts have already seen 136 people put on the job through the 82 contracts awarded in their region.

The Dept. of Interior contract will help R.O.O.C. provide continued employment for the 35 people participating in the sheltered workshop. The workshop provides employment for physically and emotionally handicapped people at almost all levels of disabilities. People referred to the center are given two-

to-six weeks of testing to evaluate their needs.

Employees at the R.O.O.C. sheltered workshop have been working on sewing hospital gowns as well as the fire fighters' vests. R.O.O.C. also has had a contract to assemble, label, and package toys for the Gay Toy Company of Walled Lake, Mich., for the past seven years. In 1982, 2 million toys were assembled at the center.

Production Supervisor, Ms. Patricia Kucharek, says that R.O.O.C. is bidding on more Federal contracts. She expressed appreciation for the two agencies' Federal Procurement Assistance staffs, "It is nice to know that if we need help on a government bid there is someone we can contact to give us a helping hand."

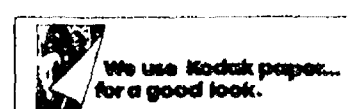

Area business people wishing information about the Federal Procurement Assistance programs in their area can contact either Ms. Rushton at the Northeast Michigan Manpower Consortium (517) 733-8548, or Mr. Bruce Sweet or Ms. Lilly Karklins at the Region 7B Employment and Training Consortium (517) 539-2173.

George Gobel at CC Playhouse

Actually, "Lonesome" George Gobel isn't lonesome at all. The well-loved comedian is too busy to be lonesome. He makes frequent guest starring appearances on both variety and situation comedy shows in addition to major night club and club date engagements. "Lonesome" George will star in Neil Simon's favorite "The Odd Couple" at Cherry County Playhouse in Traverse City. He toured the United States with this show in the mid-sixties and will portray Felix in this production from August 2-7.

George Gobel began his career as a comedian during his Air Force days in World War II. His television debut in 1952 was followed by numerous appearances on variety shows including 40 guest spots on "The Gary Moore Show." 1954 was the first year of the classic "George Gobel Show." It was the top half hour comedy program in the nation for the next three years.

Tickets are selling fast for "Lonesome" George Gobel's Cherry County Playhouse performances of "The Odd Couple." The show will play for one week only, August 2-7. Performance times are 8:30 p.m. Tuesday through Saturday, 7:30 p.m. on Sunday and 2:00 p.m. for the Thursday and Saturday matinees. For ticket information call (616) 947-9560, or write P.O. Box 661, Traverse City, Mi 49685.

Square Dancing at Roscommon Aug. 6

A western style square dance will be held Saturday, August 6th at the Roscommon High School on Oakwood Road, off County Road 100.

There will be a workshop from 10:00 a.m. to 12:00 noon and an evening dance party from 8:00-11:00 p.m. The caller will be Wendell Law from St. Johns.

Facts of Law

by Alton T. Davis, PC
Attorneys & Counselors at Law

If the tires on your new car are defective, you should seek relief from the tire manufacturer, not the company that made the car.

"When the wicked man turneth away from his wickedness that he hath committed, and doeth that which is lawful and right, he shall save his soul alive."
—The Bible

A net lease is a lease in which the tenant pays such things as taxes, heating costs, and repair bills for work done to leased space.

A MECHANICS' LIEN offers protection by statute to various types of laborers and persons supplying materials, by giving them a lien on the property they have repaired or improved. For example, the fine point on a work order you sign at the auto repair shop gives the shop a lien on your car for the amount of your bill.

Mike Delp Wins Poet Prize

Two Michigan poets have won the top poetry prizes awarded by Passages North literary magazine this summer with funds from the National Endowment for the Arts and the Michigan Council for the Arts.

Jim Daniels, formerly of Detroit and now a writer-in-residence at Carnegie-Mellon University in Pittsburgh, won one of two \$50 prizes for his poem, "My Father Worked Late." Michael Delp of Grayling won the other prize with his poem, "Checking the Neighbor's Deer."

Detroit area poet-photographer Therese Becker provided photography for the issue, which also published the poetry of Detroit area writers Alexander Blain, Leonard Kniffel, Claire Crabtree and Margo LaGattuta. Other Michigan writers included are Gloria Whelan, Jack Driscoll, Nick Bozanic, Russ Fimbinger, Tom Blessing, Peter Hoheisel, Beverly Kleikamp, David James, Randall R. Freisinger, Rosalie Petrouske and Sheryl Seymour.

The competition brought over 1,000 manuscripts from nearly every state. In addition to Michigan writers, the magazine also published work from 15 other states.

Deadline for submissions to the fall/winter issue is Sept. 30. Manuscripts should be sent with self-addressed stamped envelope to Passages North, William Bonifas Fine Arts Center, Escanaba, MI 49828.

Blueprints For Family Living
 by Nancy K. Holcomb

"As ye have therefore received Christ Jesus the Lord, so walk ye in him: (Colossians 2:6) But that the world may know that I love the Father; and as the Father gave me commandment, even so I do." (John 14:31).

The love of the Father for us, His children, is a powerful love - a love that knows no boundaries. It is a love so powerful that it can transform the hearts of man, changing a sentence of death by sin to the joy of everlasting life. It is a love that is not limited to this world, a love which reaches beyond human thought or imagination as it says in Mark, "Abba, Father, all things are possible unto thee;" (Mark 14:36). If only we are willing to accept God's love for us, His children, then we are literally reborn in Christ. But what of the love of a human father for his children? Does it also know no boundaries?

The Lord teaches us to "Be ye therefore followers of God, as dear children; And walk in love as Christ also hath loved us," (Ephesians 5:1 & 2). The Lord teaches us to have love for each other and for our children, "These things I command you, that ye love one another." But is the love we share with our children enough to change their lives?

The Bible commands, "Children, obey your parents in the Lord: for this is right. Honour thy father and mother," (Ephesians 6:1 & 2). The Bible says it is a child's duty to obey his parents and bring them honor, then is it not also true that we, as children of the Father, must also obey Him in order that we may bring honor to the Lord Jesus Christ?

"And ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord." (Ephesians 6:4) To bring up children in the admonition of the Lord involves our loving the Lord enough to obey him.

If we accept the will of the Father in our lives, all things are possible. If we walk in the love of the Father, then we will obey him. If we obey him, then we will love our children enough to guide their lives in the ways of the Father for the glory of God, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matthew 5:16)

Love and obedience, they go together.

Military Services For George Bielski, 59
 George Bielski, 59, passed away on Tuesday, July 26, 1983 at the Veterans Hospital, Allen Park, Michigan.

Graveside Memorial Services were held at the Elmwood Cemetery at 2:00 p.m. on Saturday, July 30, 1983. Military services were held by Chaplain Truman Marlatt.

Mr. Bielski was born in Grayling on January 4, 1924, son of the late George and Mary (Kowal) Bielski. He was a machine operator for Bear Archery Company and later worked as a bartender. He was a member of American Legion Post No. 106 of Grayling and the Grayling Booster Club.

He is survived by one daughter, Valerie Bielski of Grayling, one son, Gary Bielski of Montana, and one sister, Rose Morehead of Grayling. He was preceded in death by his wife, Donna, in 1981.

The family suggests Memorial Contributions be directed to the American Cancer Society.

Cornell Tennis Draws Large Field

Ten individual and team trophies were awarded Saturday and Sunday at the Cornell Tennis Tournament as match play filled the Grayling High School courts from 1 to 7 p.m. each day.

In the largest field, David Kuras, of Ludington, took the men's 18-39 age division by defeating his doubles partner John Hathaway, of Traverse City. Kuras, 23, a former Ferris State College player, made it to the finals by beating local players Tom Kaiser, Bert Kaiser, and Jon Thompson all by 6-1 6-0 scores. Hathaway, 22, defeated local player Lewis Madill 6-1 6-3, Dirk Hunt, of Ypsilanti, 6-0 default, and Chuck Reed, of Prescott, 6-1 6-7-5 enroute to the finals.

In men's doubles 18-39 Kuras and Hathaway defeated Bert and Tom Kaiser 6-1 6-0 in the finals. They defeated Scott Rasmussen and John Gubancsik, both from Grayling, 6-0 6-0, and Bob Rankin and Jon Thompson, of Grayling, 6-2 6-4 on way to the finals.

In men's singles 40 and above Jim Rifkin, who owns a summer home at Lake Margrethe, defeated Bob Reddy, of Gaylord, 6-4 6-4 in the finals.

Reddy teamed with Lee Hamrick, of Grayling, to take the men's 40 and over doubles.

In women's 40 and above singles Jan Rifkin defeated Peggy Hamrick 6-1 6-1 in the finals. Pat Miller, of Lovells, and Mary Parker, of Grayling, won the women's doubles defeating Joni and Jamie Kaiser 6-3 6-4 in the finals.

Sue Rifkin took honors in girls 13-18 play with two straight set victories and Anita Reddy, of Gaylord, won the girls 12 and under division.

Ravi Reddy, of Gaylord, won the boys 13-17 division with a 6-1 6-2 win over Jeff Thompson, of Prescott, in the finals.

Victor Reddy, of Gaylord, defeated Kevin Reed, of Prescott, 6-0 6-0 in the boys finals 12 and under.

The final matches in mixed doubles between Jim Madill/Joni Kaiser and Bert and Penny Kaiser and women's 19-39 division play between Joni Kaiser and Penny Kaiser were rescheduled due to a large number of entries forcing the tournament to run late both Saturday and Sunday.

Other victories by local players came in men's singles and doubles. Tom Kaiser defeated Dale Brown, of Ohio, 6-4 6-1 and Russel Felix, of Grayling, 6-4 6-0 before falling to Kuras. Bert Kaiser defeated David Selson, of Waters, 6-0 6-3, Bob Rankin beat Chuck Moses, of Roscommon, 6-1 6-1, and Russel Felix defeated Scott Rasmussen 6-0 6-2.

In doubles Bert and Tom Kaiser defeated Scott Hostetter and Jeff Thompson, of Prescott, 6-1 6-1 and Jim and Lewis Madill 6-3 6-4 to reach the finals. Jim and Lewis Madill defeated Chuck and Kevin Reed, of Prescott, 6-2 6-3, and Bob Rankin and Jon Thompson defeated Dale Brown and James Browning, of Ohio, 6-2 6-1.

The two-day tournament, which drew 84 individual and team entries, was sponsored by Cornell Realty and Cornell Insurance of Grayling. Another tennis tournament will be held next year during Grayling's Milltown Festival.

Celebrate 55th Anniversary

The Sagers, Evelyn and Ab had two unexpected celebrations of the 55th anniversary of their wedding on July 21.

After golf, they joined with Marge and Hal Walker and Sue and Cal Brenner for a sandwich and mentioned the fact that it was their anniversary.

They were surprised with a cake covered with chocolate and whipped cream to top off the sandwich and then toasted their anniversary with champagne at the Walters' home. They received a call that two of their three granddaughters were coming from Saginaw with their husbands on Saturday and would prepare the entire meal for a belated celebration.

Sherry and Doctor Mike Ledtke and Jill and Randy Kreger prepared a turkey dinner on the grill for their grandparents and Ralph, the Sagers' son who came from Walled Lake for the weekend.

The young couples tube floated the Main Stream and returned to Saginaw after a steak dinner on Sunday.

Doodles From The Tall Timber

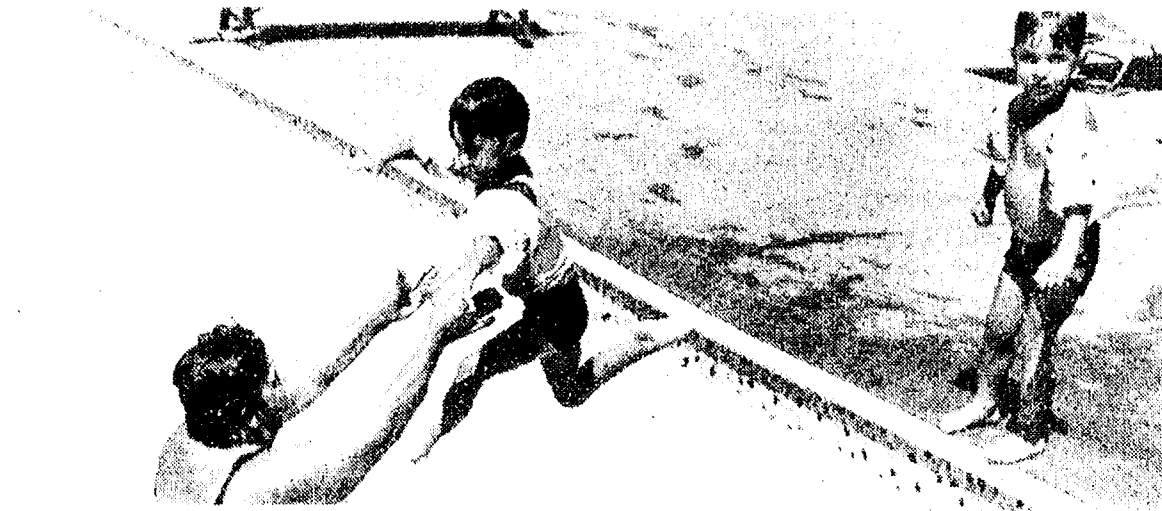

Wendell L. Hoover
Park Interpreter

With the combination of dry weather and the advancing summer season, the number of wildflowers surviving, let alone blooming, are becoming fewer and fewer. One lavender-colored flower you will see at the present time is Spotted Knapweed. One source I have describes it as a highly branched, wiry-stemmed plant with lavender heads composed entirely of disk flowers. The stem has soft hairs, but I am yet to find why it is called Spotted Knapweed. The flowers are only an inch across with harsh, prickly, black-tipped bracts which may account for the word spotted.

It favors fields, roadsides, or other little-used areas where the soil is neutral. It has a wide range according to one source, from southern Canada south to South Carolina and west to Kansas. As the name indicates, this plant is a weed, but it serves to anchor soil against the wash of the rain we all wish would come.

Senior Citizens Homemaker Services

Have you ever thought about being a Telephone Reassurance caller? If you ever have been you know the importance of this very worthwhile volunteer service program. Also how rewarding and fulfilling this service can be.

For those of you who aren't aware or have never participated in this program, I would like to acquaint you with the importance and advantages of this program.

The Telephone Reassurance Program is an organized volunteer program, designed to keep a day to day contact with elderly persons who live alone, or who might be disabled.

The goals of Telephone Reassurance are, one, to provide a periodic check on an elderly persons well-being and to prevent an emergency situation from becoming disastrous. The second goal is to provide outside contacts for those who might otherwise be completely isolated from companionship and friendships.

This service has provided much comfort and reassurance to many isolated and handicapped senior citizens.

Anyone who would like to become involved in Telephone Reassurance, on a volunteer basis, should contact Lora Gould or Joyce Hankins at the Senior Citizen Center at 308 Lawndale, telephone (348-9314). Also, anyone that is aware of an elderly person who would benefit from this service please contact the person or persons at the phone number listed above.

We, your isolated and handicapped senior citizens need your cooperation.

I would like to remind all of our Crawford County Senior Citizens of the importance of the Vial of Life. Keeping your Vial updated is very important. If you would like to know more about the Vial of Life, call the Senior Citizen Center at 348-9314 or come and see us at 308 Lawndale. We will be more than happy to explain to you what the Vial of Life is and the importance of it. Your Vial of Life can be a lifesaver.

Bible Resource Center to Open

During the last weekend of the Milltown Festival the Church of Christ will be setting up a Bible Resource Center. On display will be various audio/tutorial and inspirational tapes, correspondence courses, films and filmstrips, various paraphrased versions of the Bible and numerous tracts and other related items.

Many of these items will be given away free of charge and most are non-denominational. Also many items can be loaned out at little or no cost.

The display will be set up in the City Park from 10:00-5:00 Friday and Saturday, August 5 and 6.

Dear Mr. Madsen,
I would like to take this opportunity to thank your staff and newspaper for coverage of events at Camp Grayling during our annual training encampment, 9 July through 23 July 1983.

The 16th Engineer Brigade, Ohio Army National Guard, is proud of its men and women and we appreciate the opportunity to share our accomplishments with your readers.

Our annual training period is a big part of our overall program, and to have those efforts published is a real public relations boost for us.

Thank you again for your continued support of our training efforts.

Kolka Repeat Winner In Kid's Canoe Races

Joel Kolka, teaming this year with Mick Lovely, won the 15-17 age division in the kid's version of the AuSable Canoe Marathon for the second year in a row. Kolka and Lovely, who finished second last year paddling with Ted Kolka, took first place with a one hour, 46 minute, and 45 seconds time - better than some of the professional teams at the Stephan Bridge mark.

Taking second in the 15-17 division were Mike Keene and Don Brooks. Lacey Stephan, who finished first last year in the 13-14 age division, and Claude Halstead took third.

In the 13-14 group this year, Brad Goss and Mike Harper finished first at Louie's Landing with a one

hour and 8 minute time. Scott Mires and John Sullivan took second with Brian Diercks and Pat Bailey placing third.

Randy Laundre and Scott Cikalo placed first in the 11-12 division making it to Louie's in one hour, 19 minutes, and 46 seconds. Brian Mundy and Fernando Moreno placed second and Corey Weaver and Kerrie Marek took third.

The kids all race in standard 17-foot aluminum canoes and paddles.

Par For The Course

Monday nite was a most pleasant evening of golf for 20 ladies of the Monday nite league with the weather cooperating to a cool 74° - just perfect golfing weather. The most improved golfer of the evening was Kathy Henderlong. Joining Kathy in prizes were Vi Ayers, Phyllis Scheer, Rita Schlehuber, and Jean Raab.

CARD OF THANKS

We would like to thank all of our friends and relatives for their concern and kindness, during the loss of our father and brother. Special thanks to the American Legion Auxiliary, The American Legion Post 106, Bob and Nora Schey, the Grayling Booster Club, and everyone who helped with the luncheon. Thank you all. Road Commission Minutes

May 23, 1983

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairperson Kraus presiding. Present were: Chairperson Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of May 6, 1983 were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Cason. All voted in favor, minutes approved.

Payroll Voucher Number 10 in the amount of \$19,960.33 and Material Vouchers Number 293 - 299 in the amount of \$2,130.52 were presented to the Board for payment. Commissioner Cason made a motion to accept the vouchers for payment, seconded by Commissioner Parker. All voted in favor, vouchers signed.

Engineer-Manager Keir informed the Board of various Road Commission Meetings being held in Northern Michigan.

General Telephone Company submitted a permit for Floater Road in South Branch Township to bury communication cable in the right-of-way. The Board reviewed and signed the permit.

A letter was received from the State Highway Department in response to our application to transfer Jones Lake Road in Grayling Township from a Local Road to a Primary Road. At this time, we are authorized to use Primary funds to upgrade the road.

Discussion was held on improving Mt. Frederic Road. Engineer-Manager Keir is to seek additional information.

Engineer-Manager Keir informed the Board of the Bid Letting results for Crawford County F.A.S. Projects.

A motion was made and seconded at this time to adjourn the meeting. All voted in favor, meeting adjourned.

Melvin Nunn

Attends Conference

Melvin Nunn, Grayling Elementary Principal and President-Elect of the Michigan Elementary and Middle School Principals Association, (MEMSPA) just returned from a Leadership Conference for State Leaders in Washington D.C. The conference entitled "Leadership for Excellence" opened with Senator Robert Stafford from Vermont. He talked on "A Senator Looks at Quality Education."

The highlight of the conference was a reception with President Ronald Reagan on Friday in the East Room of the White House. President Reagan talked about the quality of education reform and the report of the National Commission on Excellence in Education, giving the story behind "A Nation at Risk". We welcome wholeheartedly the President's commitment to excellent education.

The conference closed with Dr. Milton Goldberg, Executive Director of the National Commission on Excellence in Education, giving the story behind "A Nation at Risk".

Thank You

The Grayling Winter Carnival would like to thank the volunteers who helped make the Kid's Trout-A-Rama such a success! The parents and kids had a ball, 246 registrations means everyone enjoyed the idea. A very special thanks to the businesses and individuals who donated prizes.

A special thanks to: Grayling Youth Boosters for donating the fish and getting this off the ground; The Grayling City Council for designating the park a children's fishing area; the Grayling Fish Hatchery for their expertise and know how; Laura Pettit for her time & patience, she put a lot of miles on her & her car for this.

See you next year,
 Tim Mead,
 Ray & Sharon Priebe,

Andie Neilson, Chairman of Roads & Bridges appeared before the Board regarding Four Mile Road. Engineer-Manager Keir informed the Board of a Vacationland Meeting held in Midland on June 23, 1983.

A permit from Seismograph Service was re-issued for testing on Shaw Park Road and Stephan Bridge Road. General Telephone submitted a permit to bury communication cable on Military Road in Beaver Creek Township. The Board reviewed the permits and approved them.

An Agreement between the Board of Crawford County Road Commissioners and the Michigan Dept. of Transportation concerning that the contract for projects CSR 20-91 (County Road 502 - F 97) and CSR 20-20 (Four Mile Road) and CSR -20-55 (Stephan Bridge Road) be awarded to Central Paving Company was reviewed.

Commissioner Parker made a motion that Commissioner Kraus and Commissioner Parker be authorized to sign said Agreement on behalf of the Crawford County Road Commission. Seconded by Commissioner Cason.

Ayes: Cason, Parker, Kraus
 Nays: None
 Motion carried.

Commissioner Parker made a motion that: We, the Board of County Road Commissioners of Crawford County, do hereby request reimbursement in the amount of \$10,000.00 (not to exceed \$10,000.00) for payments made during the period of July 1, 1982 - June 30, 1983 to registered engineers employed or retained by this Commission, in accordance with the following: Section 12 (2) of Act 51, as amended.

"Each county road commission shall be reimbursed in an amount of up to \$10,000.00 per year for the sum paid to a registered professional engineer employed or retained by the county road commission in the previous year. The sum shall be returned to each county road commission certified by the State Transportation Department as complying with this subsection regarding the employment of an engineer."

We further state that the amount requested can be certified in the account records of this Road Commission. The motion was seconded by Commissioner Cason. All voted in favor, the Motion carried.

The bids for the salt shed were reviewed. With concurrence of the Michigan Department of Transportation, it was decided to reject all bids and re-advertise for a letting on July 15, 1983.

A motion was made by Commissioner Cason and seconded by Commissioner Parker to close the public meeting for a discussion of Teamsters Local 214 negotiations.

When the doors were opened, a motion was made and seconded to adjourn the meeting. All voted in favor, meeting adjourned.

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairperson Kraus presiding. Present were: Chairperson Kraus, Commissioners Grover Cason and Norman Parker, Engineer Manager John Keir, and Acting Secretary Joanne Turner.

The minutes of the previous meeting of June 17, 1983 were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Cason. All voted in favor, minutes approved.

Payroll Vouchers Number 13 in the amount of \$21,070.74 and Material Vouchers Number 364 through 358 in the amount of \$14,909.34 were presented to the Board for payment. Commissioner Cason made a motion to accept the vouchers for payment, seconded by Commissioner Parker. All voted in favor, vouchers signed.

At this time, the Bids were opened for Bituminous Mix. Bob Nelson representing Central Paving Company was present for the Bid Opening. The results are as follows:
 Peninsula Corporation \$51,262.10 total price
 Reith Riley Construction Co. \$54,191.60 total price
 Central Paving Company \$45,828.50 total price

The Board discussed the Bids and Commissioner Parker made a motion to award the Bid to Central Paving Company, seconded by Commissioner Cason. All voted in favor.

The Bids received June 17, 1983 were reviewed. A motion was made by Commissioner Parker and supported by Commissioner Cason to accept the bid from Halliday Sand & Gravel for producing 20,000 cubic yards 22A Mod Gravel and to Paper Calmenson & Company to furnish 400 pieces underbody blades. All voted in favor and Engineer-Manager Keir instructed to issue purchase orders.

A permit was received from Top O Michigan Rural Electric to construct a line for electric services on Mcmasters Bridge Road in Lovells Township. The Board reviewed and signed the permit.

John Sterritt from Allied Truck approached the Board with some information regarding his Bid on Hopper Boxes that were taken on June 17, 1983. The Board thanked him for his help and will render a decision at a later date.

Andie Neilson, Chairman of Roads and Bridges appeared before the Board regarding a county road in Beaver Creek Township.

Reviewed were requests to upgrade Mt. Frederic Road and to pave a private road in Grayling Township. The Board instructed Engineer-Manager Keir to meet with Harold Mertes, Frederic Township Supervisor regarding Mt. Frederic Road. The Board's general policy on assuming jurisdiction on private roads in plats is to obtain public right-of-way and have the road constructed to present standards.

Al Geiss, a resident from Stephan Bridge Road, appeared before the Board to inquire about the progress of improving Stephan Bridge Road.

A motion was made by Commissioner Cason and supported by Commissioner Parker to close the doors to discuss negotiations for Teamsters Local No. 214. All voted in favor, doors closed.

The doors opened, a motion was made and supported to adjourn the meeting. All voted in favor, meeting adjourned.

Costume Judging Continues

The fabulous costumes
 worn by many citizens dur-
 ing the opening weekend of
 the Milltown Festival were
 noted by the secret judges
 wandering throughout the
 city.

Chairperson for the
 costuming Judy Gibbons
 reminds individuals that the
 judges will have a good
 opportunity to make a better
 decision if all who are wear-
 ing the garb of logging days
 participate in the Costume
 Walk Thursday evening,
 August 4, beginning at 7:30
 p.m.

It is recommended that
 walkers gather at the County
 Building parking lot at about
 7:15 p.m. to begin the stroll
 to the AuSagra Acres Senior
 Center. At the Senior Center
 the costumed strollers' ar-
 rival will kick off events
 including an ice cream
 social and square dance.

Akers Reunion

Independence Day week-
 end was the time for a joyful
 reunion for members of the
 Akers family. This was the
 first time in over ten years
 that the brothers - LeRoy,
 Esbern, George, and Bill -
 and their sister, Fern, had
 been together. Their older
 brother, Don, who lives in
 New Port Richey, Florida,
 was unable to attend due to
 poor health.

On July 2nd members of
 the families met at the home
 of LeRoy for a ham and
 turkey dinner. Those in at-
 tendance were Mr. and Mrs.
 Bill Akers and son Danny of
 Phoenix, Arizona, Mr. and
 Mrs. George Akers and
 daughter Karen, Esbern
 Akers and his son Chuck
 with his wife Carol were
 from Milwaukee, Wisconsin.
 Mr. and Mrs. John Forman
 and children Jason and
 Kristi from Kalamazoo,
 Mich., Mr. and Mrs. Tom
 Welsh and daughter Erin
 from Bridgeport, Mich.
 Those from Grayling were
 Mrs. Fern Duncan and sons
 Mark and Brian, Mr. and
 Mrs. LeRoy Akers and Larry
 & Mr. and Mrs. Scott
 Malone. Friends from Gray-
 ling who joined the group
 were Mr. and Mrs. Norman
 Feldhauser and daughter
 Grace, Mr. and Mrs. Tom
 Welsh, and Mrs. Eunice
 Slusser.

Sunday, the family group
 met again at Fern's home
 for a cookout. They were
 joined by Mr. and Mrs. Don
 Akers and son Spencer of
 Tustin, Mi., and Mr. and
 Mrs. Roy Feagon and
 daughter Lisa of McBain,
 Mi. and Mr. and Mrs. Doug
 Duncan and son James of
 Grayling. Ernie Balch was
 also a guest.

On the 4th, all left for their
 respective homes except Mr.
 and Mrs. Bill Akers and
 Danny who remained for the
 week visiting old friends and
 enjoying many activities
 with his sister and brother.

CARD OF THANKS

I wish to thank all my

Dear Whitey,
 This gives me great
 pleasure to write about one
 of the wonderful citizens of
 Grayling, Jon Thompson.
 Jon has conducted the tennis
 tournament during the
 Milltown Festival. My entire
 family took part in the tour-
 nament. He worked very
 hard during both days of the
 tournament. I'm sure he has
 put in countless hours to
 organize this. The turnout
 was tremendous and conten-
 tants came from Traverse
 City, Ludington, Detroit, and
 Ohio. It needed a complex
 organization and Jon did
 such an outstanding job on it.
 The entire tournament ran
 like a well-oiled machine.
 The contestants were very
 friendly and cooperative.

Whitey, you have a very
 good man. His friendliness
 towards the guests and con-
 testants was really praise-
 worthy. Jon made this part
 of Milltown Festival very
 successful. He deserves a lot
 of appreciation.

Thanks for this oppor-
 tunity.

To the Editor,
 In reading the brochures
 on the Crawford County Fair
 to be held this month, I have
 noted that in the rules for en-
 tering competition in the
 various categories that to
 enter you cannot be a
 professional.

Their definition of
 "professional" is that you
 cannot have sold any of your
 items. This will, I am sure,
 eliminate practically all of
 us who make the items men-
 tioned to enter, as our artists
 and crafts people have all
 sold something at the many
 craft and art fairs held here
 and elsewhere. I imagine it
 will include even food items
 made.

Who then is going to be
 able to enter?

Respectfully,
 B. Lennert

City Council Proceedings

Regular meeting of the City Council held July 25, 1983.
The meeting was called to order by Mayor Thompson at 7:30 p.m.

Members Present: Thompson, Sloan, Golnick, Sabin.
Members Absent: Latuszek.
Also in Attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; William Richards, P.E.; Mary Harland, C.C. Commissioner; Don Geiss, WQON; A.D. Sorenson, Grayling W.D.; Kent Reynolds, C.A. Schools; Ed Schoonover, Dist. Health Dept. No. 1, Bruce Reynolds, Dist. Health Dept. No. 1, Elsie Jansen, Don Jansen, Stephen Southard.

Motion by Sloan, supported by Golnick that the minutes of the meeting of July 11, 1983 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Citizens who wish to speak.

Mr. and Mrs. Jansen appeared to request Council to help pay to pave the parking area between the street and his building on Ottawa Street. He contends that the paving of Ottawa Street has reduced the street area by 3 feet on that side and that the city should pay for the paving of 3 feet of what will be used for parking and 40% of what would have been a 4' sidewalk. Mr. Golnick stated that the street had been designed to allow the head-in parking to accommodate the existing businesses and if the curb had been installed with a 32' back to back paving, no parking would be available. Mr. Thompson remarked that no decision would be made this evening but that Mr. Jansen would be informed after the next meeting of Councils decision.

Communications were received and noted.
From City Treasurer re: June Finance Report. Held until next meeting.

From Grayling Beautification Committee re: Meeting Minutes of 6-14-83.

From Rep. Dingell re: Natural Gas Relief Act.

From A.V. Schreiner re: Office Rental Rates.

Motion by Thompson, supported by Sabin that the City Hall rental rate be raised to \$7.00 per square foot due to increased cost of operation. Ayes: 4, Nays: 0, Absent: 1, motion carried.

From Grayling Regional Chamber of Commerce re: Milltown Festival Schedule.

Discussion of proposed sewer facilities for the new middle school addition to be located at the high school site 2 miles north of the city limits took place.

Mr. Morford noted that as per city council request at the last regular meeting, he had invited City Engineer Bill Richards, Crawford AuSable School Superintendent Kent Reynolds, and District Health Department Representatives Bruce Reynolds and Ed Schoonover to attend this meeting to discuss the issue.

Mr. Kent Reynolds presented a general overview of the proposed project and indicated that the school architect Kingscot Associates had tentatively recommended connection to the City of Grayling sewer system but that no hydrogeological studies had been conducted to determine if on-site disposal is feasible. He stated that such studies would cost between \$2,000 and \$15,000 and that the school did not have the money to conduct such studies until the passage of a millage proposal for the new school. The cost estimate for the new Middle School is \$4.3 Million. Mr. Sabin asked if the figure included the cost of connection to the city sewer system. Mr. Reynolds said that it included \$330,000.00 for sewer work to connect to the city system.

Mr. Sabin also asked why the school system had made no direct contact requesting the city to furnish sewer service to the proposed school. Mr. Reynolds stated that he and Mr. Lerg had met with the City Manager and discussed the matter but had not made a formal request for service or discussed sewer and water rates or the timing of city sewer plant expansion needed to accommodate the new school.

Mr. Morford noted that he had advised the school personnel that the city sewer system does not have excess capacity and that extension of sewer services outside the city was not automatic and would require careful analysis of current and projected needs within the city limits and planning for plant expansion if needed to accommodate such outside flow.

Mr. Bruce Reynolds stated that until a hydrogeological survey is completed by the school district it will not be possible to determine if an on-site system is feasible or the cost of constructing and operating such a system. There was general agreement that the present sewage system at the High School is operating at capacity and could not be used for the new Middle School without expansion or rebuilding.

After much discussion of the subject between all parties, it was agreed that it is essential for the school to conduct a hydrogeological study in order to allow a good decision regarding the use of the proposed site for the Middle School with an on-site disposal system and to develop comparative costs for the proposals regarding possible extension of the city sewer system.

Mr. Kent Reynolds stated that the system would need to be in operation by September 1985 to serve the new school.

Mr. Morford and Mr. Richards noted the expansion of the city sewer treatment facilities is not scheduled for funding until at least 1987 at the present time.

All correspondence presented at this meeting is attached to the Minutes for reference. The City Council thanked all present for their attendance.

The City Manager reported on the 1983 Street Project. The construction is complete and final clean-up and backfilling and seeding are in process. He also presented an invoice from Richards & Associates for Engineering services thru 7-16-83 in the amount of \$11,812.75. He recommended approval.

Motion by Golnick, supported by Sloan that the invoice from Richards & Associates be approved for payment of \$11,812.75. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The insurance proposal from the MML Group Account thru Meadowbrook Insurance was presented for Council examination and review. Mr. Morford asked if Council wanted to participate in this program and when the coverage should start. He asked if Council would like to have a representative of Meadowbrook to attend a Council Meeting.

Motion by Sloan, supported by Golnick that the City of Grayling join the Michigan Municipal League Liability Insurance Pool as soon as possible. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Discussion of the annexation of the fractional lots along the east boundary of the City took place. All of the property owners have agreed to this annexation of their property. Grayling Township has approved the annexation of these parcels to the City of Grayling. The effective date has not yet been determined.

Discussion of the rebuilding of the 1969 Fire Truck was held. Estimates are on hand to perform this work. Mr. Morford asked if Council wished to have the Fire Department develop specs and solicit bids for the work. Council agreed that at least two bids should be received.

The City Manager reported on the Grayling Recreation Authority operation and its finance needs. He has met with Ms. Beth Wieland and Ms. Monica Ashton to try to develop a funding formula. Mr. Golnick stated that in his opinion the Recreation Authority should be a part of the County Parks and Recreation Committee and that ultimately a millage should be proposed to finance operation of all county parks.

Discussion of a replacement for Leon Rochette on the Grayling Housing Commission took place. Mr. Rochette indicated his intention to resign effective August 9, 1983.

Mr. Morford presented copies of a letter to Mr. Harold Southard of Rays Canoe Livery. The letter was in reference to some additional construction which Mr. Southard contemplates doing along the bank of the AuSable River. Mr. Morford pointed out to Mr. Southard that the Grayling Greenbelt Ordinance and the R-1 classification of the Zoning Ordinance apply to whatever work is to be performed. Mr. Steve Southard indicated that they would like to install a retaining wall from Ray's to Mrs. Lora Gould's property. He stated that the present wooden walk-way would not be extended. Mr. Morford stated that all the Canoe Liveries are zoned R-1 and the reason for allowing them to remain non-conforming uses was to prevent the over commercialization of residential areas. Mr. Southard replied that they have no plans to build buildings or expand the commercial aspects of the area. Council posed no objection to the proposed work to be done in co-operation with the Soil Conservation Service.

Reports of Councilmen. There were no reports from Councilmen.

Reports of City Manager. Mr. Morford reported on the following:

Workmen's Comp. Case.

Chamber of Commerce building in City Park.

Award of Associate Degree from Kirtland College to Police Chief Stephan.

M.M.L. Annual Conference.

Reciprocal Fire Agreements with Military.

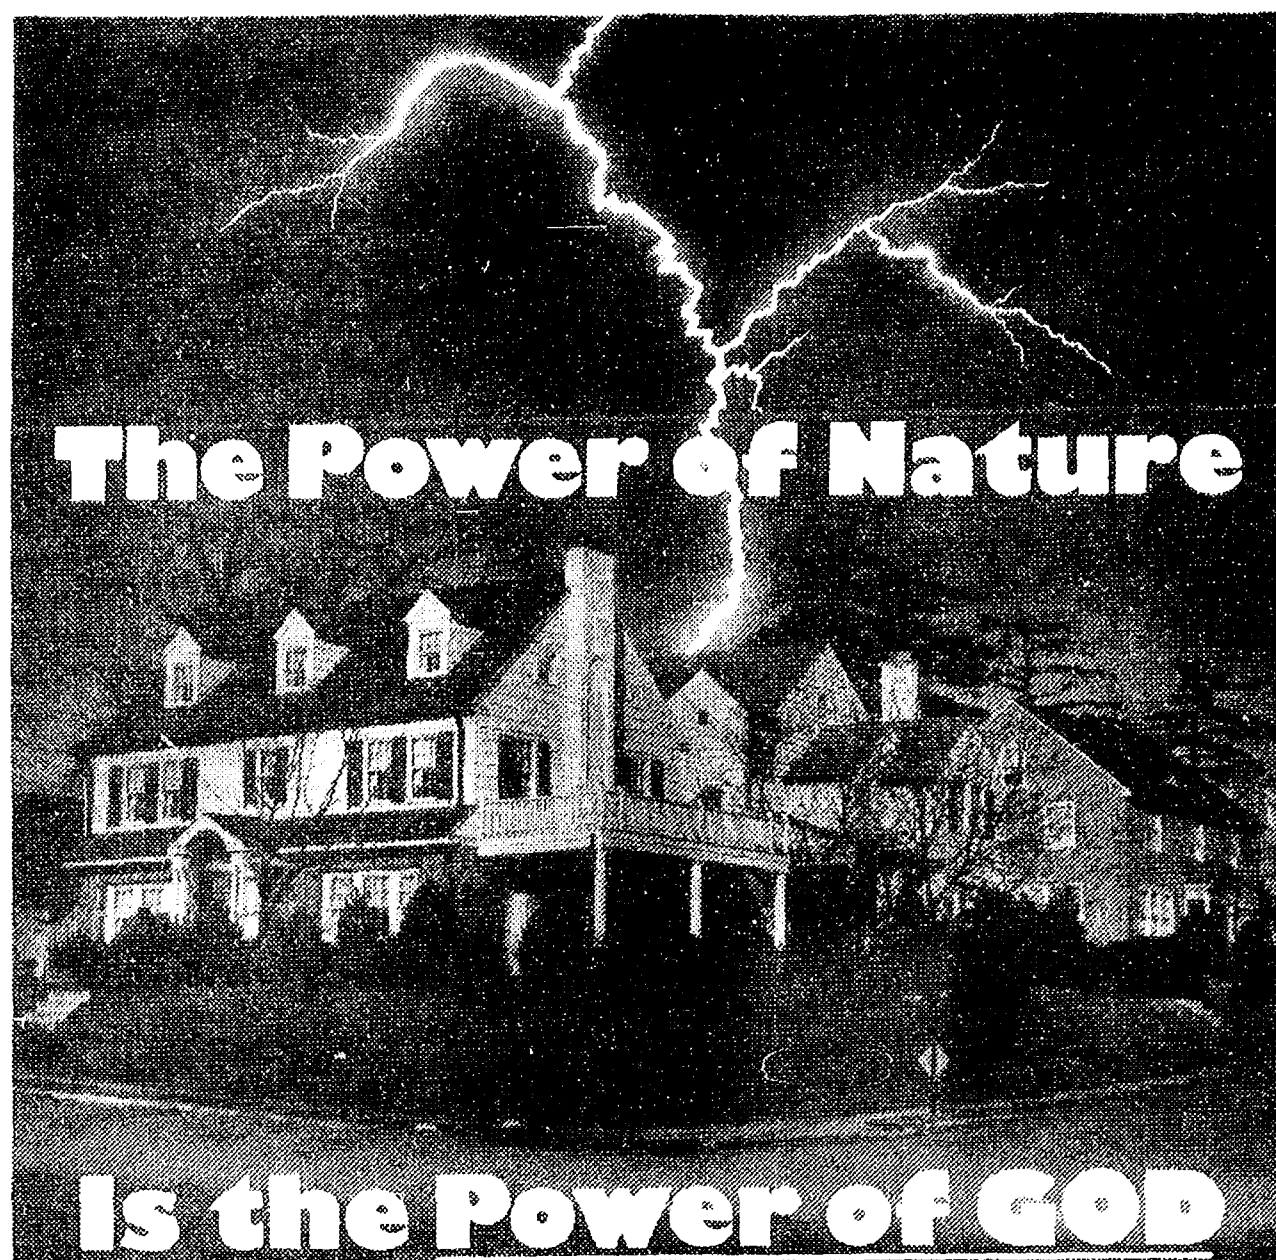

Airport change in hours of operation.

Adjournment.

Motion by Golnick, supported by Sabin that the meeting be adjourned. Ayes: 4, Nays: 0, Absent: 1, motion carried. The meeting was adjourned at 9:58 p.m.

Men are fascinated and sometimes appalled by manifestations of vast power beyond all human control.

Primitive man stared with frightened awe at angry storm clouds and fled in terror to his cave when the fury broke and the winds lashed the trees and lightning tore great holes in the landscape.

New powers have been discovered as man has dug deeper into the secrets of nature and all of them have been viewed with apprehension or plain fear.

Steam, electricity, explosive gases, diesel, radium and many others, each in turn with its

marvels of achievement and its vast potentialities, have filled mankind with awe as he wondered what other secrets of power lay buried in the bosom of the universe.

Today it is the nuclear bomb which staggers man's imagination and makes him fear for the future of his world and his civilization.

But the power of nature is the power of God. Used rightly, it always proves a boon and blessing for mankind; but employed for evil purposes, its destructive powers are unlimited.

The secret of the right use of the powers of the universe is embodied in religion and expounded in the teachings of the Church.

Mosquitoes

The Summer Scourge

Bzzzzzzzz...zap! And another mosquito has hit her target - some unsuspecting person, maybe you.

When this happens you really know that warm weather is here, and with it the presence of the pesky mosquito.

Aside from being a nuisance, some species of mosquitoes carry the dreaded viral disease encephalitis, sometimes called sleeping sickness.

In past years, Michiganders have been visited by three kinds of encephalitis-California, St. Louis, and more recently, Eastern Equine Encephalitis, or EEE. California is the mildest strain of the three. St. Louis Encephalitis has a mortality rate of 5 to 10 percent. Eastern Equine Encephalitis, while a much rarer strain in this part of the country, has a death rate of 50 to 70 percent.

EEE virus resides in wild birds which are not affected by it. Mosquitoes bite infected birds, become infected themselves, and then in turn transmit the virus when biting a horse or person.

Horses appear particularly vulnerable. In the past three years, 155 horses are known to have been afflicted with EEE in southern Lower Michigan. There is only one confirmed case in a human on record in the state.

California Encephalitis, which mostly affects children under age 15, can have a deleterious effect on intelligence and motor skills.

The last rather widespread outbreak of St. Louis Encephalitis in Michigan was in 1975. That year, 93 persons were infected by the virus.

Needless to say, it is wise to avoid being bitten by mosquitoes to the extent possible. In fact, this is really the only defense we have available to us. I know that avoiding mosquitoes is easier said than done, although there are some precautions that can be taken that will help.

First off, be sure that all screens on your house are in good repair. And keep them that way.

Keep in mind that mosquitoes are most active in the evening, from dusk on. Also, you are most apt to find mosquitoes in grassy areas, marshy area, or in or near places where there may be standing water, such as ditches, creeks, or lakes. These are places to avoid when you can.

But, if it is necessary to be out-of-doors during evening hours, allow as little skin to be exposed as possible. Wear clothing that covers arms and legs. Where skin is exposed, apply a mosquito repellent.

If it upsets you to think that you have to be inconvenienced in this way, just remember...an ounce of prevention is worth a pound of cure.

Mason's Pancake Sausage Breakfast

The Grayling Masonic Lodge #356 F & AM, will put on a Pancake & Sausage Breakfast at the Masonic Temple on Michigan Ave. on Saturday, Aug. 6, starting at 8:00 a.m. until 11:00 a.m. The breakfast is open to the public and everyone is urged to attend.

Donations will be \$2.50 per person. This breakfast will be prepared by two of Northern Michigan's finest chefs, Mr. Fred Koernke, of Lovells and Mr. Donald Jansen of Grayling and don't forget our famous coffee maker of Northern Michigan, Mr. Forrest Annis of Beaver Creek Twp., plus all the rest of a real good bunch of Brother Masons. By the way Brother Masons, don't forget to be there. Your help for the day is needed. This does not get done by itself.

Marathon

(Continued from Page 1)

Race officials, who were predicting the Stocktons would beat the record by a good margin, figured the Stocktons lost six minutes after the wrong turn.

And Brett said the getting lost in the shallow water cost them more than time.

"It drained us trying to get through that dead channel. After we got out and figured we had lost our shot at the record and we just paddled in."

Three other local teams managed to finish the gruelling race. Minard Harwood and Ed LaMotte took seventh with a 16:04:17 time, Jim Harwood and Ted Kolka took ninth at 16:45:47, and Allen Carr, Jr., and Doug Mallery took 14th at 17:45:07.

Besides local favorites, the women's team of Ann Kobylenski and Valerie Fons drew the most cheers from spectators finishing at 10th place in 16:50:17. They smashed the previous womens record of 22:12:20.

In the amateur division, Bob Stockton (Butch's brother) and Ron Nolan, of Roscommon, finished in the fast time of 16:29:54. A Grayling team of James Radebaugh and Bill Martella took 8th at 18:35:57 in their first marathon.

Carl Toepfner, of California, won the one-man canoe race to Stephens in a time of 90:40. John Phipps and Spencer Kent, of Dryden, took the aluminum canoe division in 1:49:38 beating out Stacey Kent and Mick Lovely, of Grayling, who finished right behind at 1:50:22.

The Stocktons became the first team to repeat as champions since 1975, but it might be their last marathon together as Butch, 34, hinted about retirement after the race. For the rest of this racing season, however, the Stocktons will race together and try to add to their string of victories that started in June. The Stocktons picked up \$1,650 as first prize in the AuSable Marathon.

Helping relay race time from check points along the river were Paul NePote and Frank Hughes, from the Cherryland Amateur Radio Club, and Al Pochelon, president of the Straits Area Amateur Radio Club. The Cherryland Club brought over their emergency communications trailer to use as a base station at Rays and the AuSable Valley and Oscoda radio clubs sent back information from check points. Pochelon, who lives north of Frederic, paddled in the first Marathon in 1947.

Citizen

(Continued from Page 1)

Year award are overwhelming.

She has been actively involved as Treasurer of the Crawford County United Way organization, is a second term member on the Board of Directors of the Grayling Regional Chamber of Commerce, including a Vice Presidency, and was formerly a president of the Grayling Business and Professional Woman's association.

Mrs. Hanson has been involved in various citizens committees for the Crawford AuSable School District, the Water Wonderland Board of Realtors, the Milltown Festival Committee, including chairing the Michigan Woodcutter Contest and the first ever Mud-Wrestling competition. Her activities also include the Grayling Winter Carnival Committee and membership in the American Business Women's Association.

One of her most recent great accomplishments has been made through her co-chairperson's role in the Mayor's Blue Ribbon Beautification Committee. The welcoming hanging flower baskets at the entrance to the city and the beautiful flowers at the curbsides are some of that committee's ideas.

According to the Grayling Chamber of Commerce President Joe Wakeley, perhaps even more important than all of her single accomplishments is the fact that Mrs. Hanson is always working behind the scene to make the community a more prosperous and better place to live. He said, "She is truly a person who contributes greatly to a finer quality of life in this community."

Mrs. Hanson is married to Lt. Col. David "Skip" Hanson, who continually plays a supporting role in contributing to the community both as a private citizen and in his role with the Michigan National Guard. She is the mother of two sons, Rob, age 16 and Rich, age 14.

Invited citizens paid tribute to Mrs. Hanson at a luncheon Monday at the Chief Shoppenagon's Motor Hotel and she was introduced to the community as Citizen of the Year at a Potluck Dinner held Monday evening at Hanson Hills Recreation area.

President

(Continued from Page 1)

She succeeds Sister Mary Hilda Duffey, R.S.M. who held the position since 1968.

Sister Mary Ellen is a native of the Detroit area, graduating from Our Lady of Mercy High School in Farmington Hills. Following graduation, she attended Mercy College in Detroit, receiving a Bachelor of Science degree in Nursing. Sister continued her education at the University of Wisconsin, receiving a Masters degree in Health Administration.

Following her educational career, Sister Mary Ellen served on the faculty of Delta Community College and as a professional nurse, both in the Bay City area and at St. Mary's Hospital in Grand Rapids.

Sister Mary Ellen has held administrative positions at St. Joseph Mercy Hospital in Pontiac, Creighton-St. Joseph Hospital in Omaha, Nebraska, and the Mount Mercy Continuing Development Center in Grand Rapids. Prior to her appointment as Administrator of Mercy Hospital, she held the position of Vice President for Mental Health at Catherine McAuley Health Center in Ann Arbor.

4th Milltown Run Set for Saturday

Final preparations are being completed for the 4th Annual Milltown Run, sponsored by Northern National Bank and Mercy Hospital, Grayling. The race, set to begin at 9 a.m. this Saturday, August 6, is expected to draw nearly 200 runners.

Preceding the 10 kilometer run, is a 1.5 mile Fun Run starting at 8:30. There is no registration for this run. However, finishers will receive a commemorative ribbon.

The race course winds its way through the City of Grayling, a number of subdivisions and a portion of wooded area. The course is identical to the last three races, so persons on the course last year will again be able to view the race. Homeowners along the course are again asked to keep all pets tied up during the race. Persons driving during the race are also asked to be especially alert to course marshalls at the numerous intersections affected by the race. There will be marshalls at each of the intersections.

Registrations will be taken up until race time. Fees for the race increase from \$6 to \$9 on Saturday. Commemorative T-Shirts will be given to the first 150 registrants. All finishers will receive a certificate. A meeting for race volunteers will be held Thursday, August 4, at Northern National Bank starting at 7 p.m.

Coins Taken In B & E

Approximately \$75 in silver dollars and quarters along with several two-dollar bills and small change were taken from the Paul Sopsack residence along Steckert Bridge in South Branch Twp.

The breaking and entering occurred in the early morning hours on July 29. All information given to the sheriff dept. about the B & E by anyone seeing suspicious persons in the area will be held confidential.

In other police news, the Crawford County Sheriff Dept., DNR forest fire fighting crew, and Beaver Creek Twp. Fire Dept. responded to a grass fire July 26 west of Six Mile Rd in Beaver Creek Twp. The fire burned three acres and its cause is unknown.

A new antenna placed at Camp Grayling helped the fire call reach all the fire fighters in Beaver Creek. The new antenna placement has helped in sending calls to both South Branch and Beaver Creek Township fire fighters. The previous antenna placement at the courthouse had been too low to consistently reach all the fire fighters' beepers throughout the county.

Surplus Cheese at Senior Citizens Center

U.S.D.A. Surplus Cheese will be given out August 11th, 9:00-4:00 p.m. and August 12th, 9:00-11:00 a.m. at the Senior Citizens Center, 308 Lawndale in Grayling.

Certification Cards, valid for one year, are required by NEMSCA for persons to be eligible to receive the cheese. For those of you who missed being certified earlier, Certification Cards will be issued August 8th, 9-11:00 a.m., at the Center.

Income guidelines range from \$6075.00 per year for a 1 person household to \$12,375.00 for a 4 person household, and proof of income is required. Food Stamp recipients will receive their cards through the D.S.S.

Hillside Concert Scheduled! Hanson Park To Sponsor Bluegrass Festival

On Saturday, August 13, Hanson Park will sponsor a Bluegrass Festival as part of their continuing effort to generate much needed funds to continue the growth of the park as a Community Year-round Recreational facility. The concert, which will be held on the side of the famous Hanson Park "Bowl" will begin at 7:00 p.m. Admission to the event, which will be held rain or shine, has been set at \$3.00 with advance tickets available.

Several well known Bluegrass bands from throughout Michigan will be competing for the \$250.00 first prize. In addition, there will be individual competition for banjo players, guitar players, mandolin players and fiddle players.

This first annual Hanson Park Music Festival promises to be one of the big events of the season for the park. The entire community is invited to come out and enjoy the music, however the seating is on the side of the hill so blankets or cushions will be handy. Beverages will be allowed however glass containers may not be carried through the gate.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 2-9 August 83.

Firing will be in the following areas on the dates and times indicated.

The Small Arms ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8 a.m. on 7 August 83 and cease at 7 p.m. on 9 August 83.
